

Home Care Partners (HCP) is a leading non-profit organization committed to enabling vulnerable seniors and adults with disabilities, particularly those from low-income and minority populations, to age safely and with dignity in their own homes. This program seeks to engage corporate partners in a mutually beneficial relationship that supports our vital work and provides valuable benefits to our corporate members. By partnering with us, companies can leverage our proven track record and outcomes to maximize the impact of their donation.

BENEFITS

★ “Industry Impact Program” Landing Page:

Your company's logo and a link back to your site will be prominently displayed on our Corporate Club landing page on the HCP website.

★ Recognition in Annual Report:

Acknowledgment of your support in our annual report, showcasing your commitment to social responsibility.

★ Quarterly Representation in Newsletter:

Your logo will appear in a logo lock in our newsletter, ensuring regular visibility to our supporters. A feature in our quarterly newsletter, highlighting your company's involvement and impact. Our newsletter is distributed every other month to an audience of approximately 500 friends of Home Care Partners, including donors and event attendees.

★ Tax-Deductible Donations:

As a 501c3 non-profit, all donations can be considered tax-deductible allowing you to benefit from charitable giving.

★ Choose Your Area of Impact:

While unrestricted giving allows us the greatest flexibility to put resources where they are most needed during the year, we can also offer the opportunity for you to align your giving with your company's values by selecting a specific program or initiative to support.

★ Annual Virtual Roundtable with Leadership/Board of Directors:

Join us for an annual virtual roundtable to strategize, share best practices, and collaborate on social initiatives.

★ Branding/Sponsorship Opportunities at Events:

Take advantage of branding and sponsorship opportunities at HCP events such as our annual Heroes Banquet to thank all our caregivers.
